Re: MB Docket No. 10-56

Dear Chairman Genachowski:

As the executive director of both the Berwyn Latino Chamber of Commerce and the North Berwyn Park District in Illinois, I have had the pleasure of working closely with Comcast for many years. I fully support its proposal to join with NBC Universal.

The Berwyn Latino Chamber of Commerce represents and serves the growing number of Latino businesses in our community. Comcast, a member of the chamber, is a strong proponent of diverse organizations and minority owned and operated businesses in the Berwyn area. Our members benefit from Comcast's active participation in our events and its commitment to working with local and diverse suppliers.

The North Berwyn Park District is an autonomous governmental entity established by our residents in 1976 to provide outdoor recreational areas and leisure service opportunities that foster community growth, family values, and enhance the quality of life here. Comcast has long supported our work, and not just with funding, but with the full force of its employee volunteer corps. We were the proud beneficiary of Comcast Cares Day in 2008, a beautification effort that turned out hundreds of Comcast volunteers and uplifted our local parks.

Comcast is a good corporate citizen in Berwyn and throughout Illinois. I urge the FCC to act in its favor.

Sincerely,

Joseph Vallez  
Executive Director, North Berwyn Park District  
Executive Director, Berwyn Latino Chamber of Commerce
